- 80% energy saving, compared to traditional light sources
- Built-in LED, as part of the system

Premium quality
- Die-casted aluminium for a premium look and feel

Lighting for healthy eyes
- Scientific light setting for optimum eye care

Highlights

Adjustable light angle
Dimmable

Adjust the light intensity of the Philips LED lights with a dimmer switch (not included). This makes this light ideal for creating an ambience for any occasion, whether a cosy meal for two or chilling out with family and friends in your living room. Philips tested a number of wall dimmers that have proved to be compliant with our LED lights. A list of compatible dimmers is available in the downloads and support section.

Tunable

This lamp is tunable. You can tune it to your preferred light colour; from warm white (2,700 K) to cool daylight (6,500 K).

80% energy saving

Save up to 80% energy compared to your standard bulb. It pays for itself and saves you money year after year. So reduce your energy bill and start saving now.

Integrated LED light source

A light source you can trust. With integrated LED light source, you won't have to worry about maintenance or lamp replacement while having the perfect light ambience in your home.
