PHILIPS

Juicer
1000 W QuickClean, 2.5 L, XXL tube, Drip stop, citrus press

HR1874/74

Highlights

10% more juice

Thanks to the innovative juice extraction system with upside down sieve, the juicer squeezes every drop of your fruits and vegetables, creating a juice fountain. You get up to 10% more juice, compared to Philips' number one juicer HR1861.

Make 2.5 L in one go

Thanks to the innovative juice extraction system with the upside down sieve, this juicer extracts up to 10% more juice*. And depending on the type of fruit or vegetables one juices, it is possible to make up to 2.5 liters of juice in one go without the need to empty the pulp container.

1000 W

Juice the toughest ingredients with a powerful 1000 W motor.

XXL feeding tube

The 80 mm extra large feeding tube allows you to juice even large fruits and vegetables like apples, carrots and beetroots without pre-cutting.

2 speeds

2 speeds for soft or hard fruit and vegetables

Citrus juicer accessory

Thanks to the Citrus juicer accessory you can make fresh home made orange juice every day. The self-rotating system uses an optimal speed to help you juice fast and easy. No more pressing force is needed.

QuickClean technology

The Philips juicer is designed for easy cleaning thanks to QuickClean technology. Cleaning is now as simple as rinsing , thanks to the pre-clean function and the QuickClean polished sieve.
