Highlights

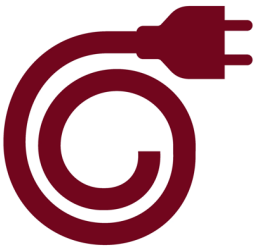
Water level indication

Fill the water tank easily and precisely with the water level indication.

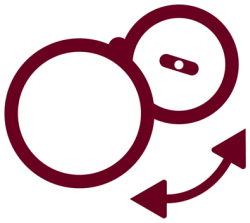
Drip stop

The drip stop allows you to pour a cup of coffee before the full brewing cycle is finished.

Cable storage

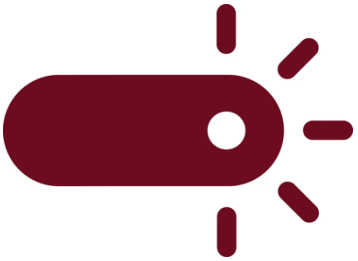


Swing filter holder



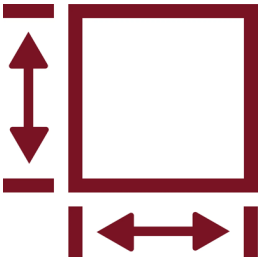
The filter holder is opened by swinging it to the side, which makes it easy to fill up with coffee. The filter holder is also detachable for easy cleaning.

LED power switch



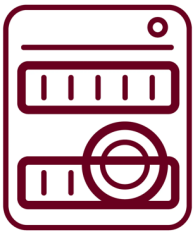
The red light on the switch button illuminates when the coffee maker is switched on.

Compact design



This coffee maker is especially designed for brewing 2 to 7 cups of coffee (maximum 0.6 litres). Thanks to its very compact design, this coffee maker takes little place in your kitchen.

Dishwasher-safe parts



The jug and filter holder can be easily cleaned in the dishwasher.
