

Stick energy saving bulb

- 5 W (25 W)
- E27 cap
- Warm white

8710163393568

Very compact size

A bright, stylish home

Choose Philips Genie bulbs for a compact, energy-efficient and affordable alternative.

Benefits

Beacon of trust

- You can trust what the Philips packaging is saying

Sustainable choice

- Carbon footprint
- Save energy from the moment you turn the switch

Features

Reliable quality

Philips keeps its promises about lamp performance. You can trust what the Philips packaging is saying about light output, lifetime and wattage equivalent to incandescent lamps.

Carbon footprint

Energy savers reduce the amount of energy in your home, which not only results in a lower eenrgy bill, but also in less carbon (CO2) output by your energy supplier. Together we make this a better world to live in.

Energy efficient

All Philips energy savers save energy from the moment you turn the switch. During their lifetime they use fewer kW and thus also result in a lower energy bill. The level of energy saving differs per lamp type and technology.

PHILIPS

Specifications

[field not found 'disclaimer_text']

Bulb characteristics

Shape	Stick
Cap/fitting	E27
Voltage	220-240 V
Dimmable	No

Light characteristics

Application	Just light
Rated center beam intensity	not applicable cd cd
Color	Warm White
Color temperature	2700 K
Light effect/finish	Warm White
Color rendering index (CRI)	81

Durability

Lifetime of lamp	8000 hour(s)
Average life (at 2.7 hrs/day)	8 year(s)

Bulb dimensions

Height	10.7 mm
Width	3.8 mm
