

Ironing board cover

- WardrobeCare
- Non-scorch

GC095/01

Replacement board cover for your WardrobeCare

Non-scorch made for GC9920

Continue to enjoy your Philips WardrobeCare by replacing the board cover. The non-scorch replacement board cover is especially made for the WardrobeCare GC9920 - which can be identified due to the temperature dial on the iron.

Benefits

Ease of using Philips spare parts

- Performance with original replacement board cover

Made for Philips WardrobeCare

- Made for GC9920 with iron with temperature dial
- Non-scorch material to prevent burn when the iron is rested
- Safe to rest the iron on the board

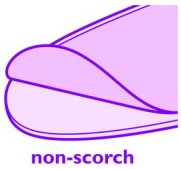

PHILIPS

Features

Made for GC9920

Non-scorch material

Non-scorch material that won't burn even when the iron is rested with high temperatures on the board cover.

Prolonged performance

From time to time your product needs a facelift, and with Philips consumer replacement parts to renew your product, it's never been so easy! All this with guaranteed Philips quality and 1:1 exchange.

Safe iron rest

The non-scorch material ensures that you can always leave your iron on the board cover without the risk of burning marks on the cover.
