Forta LCD HD Pocket-sized Powerbank 10.000

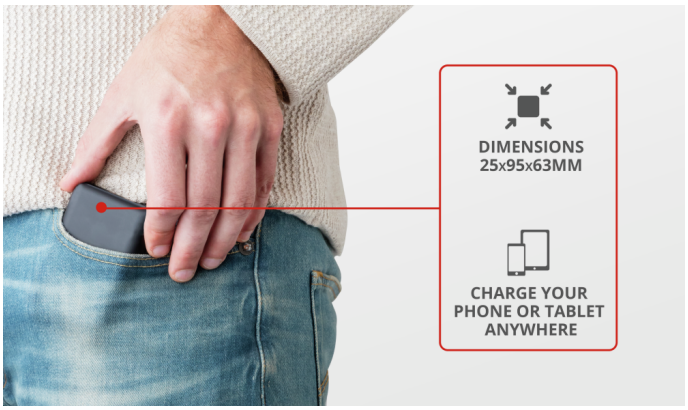
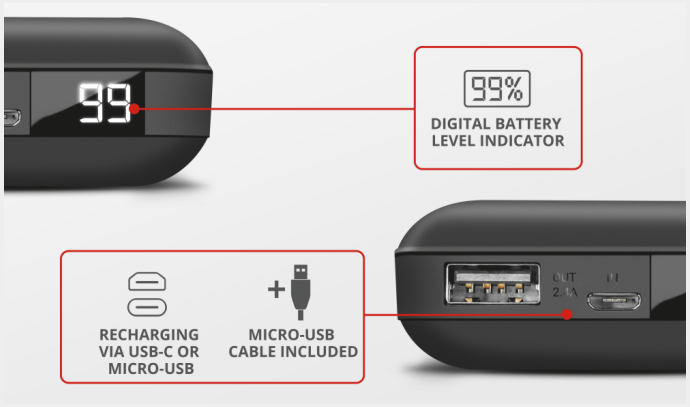
Compact and powerful

Are you always on the move and always online? Then you can't afford to run out of power. The super-compact and powerful 10.000 mAh Forta LCD HD Powerbank with high-density design fits a large battery in a compact case, so you have enough power for multiple recharges.

For all devices

The Forta LCD HD Powerbank keeps your phone, tablet or any other USB device up and running, wherever you are. Its universal USB port with 12W/2.4A output charges any device that is compatible with USB charging at the highest possible speed.





Fast recharging

Thanks to the LCD display, you can check the battery status of the powerbank at any time. If it's running low, use any 2A USB charger to quickly recharge it via USB-C or micro-USB. The package includes a micro-USB cable.

Smart and safe design

The powerbank has a Smart Protection System which ensures safe and fast charging of your devices. The Forta HD will go wherever you go, and since it is safe to take on a plane; even when flying!
