Highlights

Water-resistant for bathrooms

The Philips Hue Adore series of smart bathroom lights have been rigorously tested to ensure that they are water resistant, making them ideal for humid environments. Each Adore bathroom light meets IP44 standards.

Expand with Hue Bridge

When connected to a Hue Bridge (*sold separately), your smart lights become even more versatile. Control your lights from anywhere inside and outside your home using just the Philips Hue app. Set timers, routines, and add or remove lights from your system.

Wireless control

With the battery-powered dimmer switch, you can control up to 10 smart lights simultaneously. The switch • which can be removed from its wall mount and used as a remote control • allows you to dim and brighten your lights or cycle through four preset light recipes

Enjoy the right smart lighting

Maximize the effect of your daily routines with tunable white light. Set the light to match different needs and moods in the bathroom with the press of a button. Get energized in the morning with cool daylight, do precision tasks with bright light, have the perfect reading light in bath or have some me-time in the bath tub with warm light.
