Highlights

Rotation technology

The rotating motion quickly but gently removes these impurities by sweeping them away, leaving the skin more deeply cleansed.

6x better cleansing

Thanks to the rotation technology and the 17,000 silky soft bristles of the normal cleansing brush you get six times better cleansing results for a soft and radiant skin.

Gentle to your skin

VisaPure mini facial cleanser is tough on impurities, but gentle to your skin. Thanks to its silky soft, thin and dense bristles, it ensures a smooth glide while cleansing for absolute skin comfort. VisaPure mini facial cleanser is gentle enough to use twice a day.

100% waterproof

This device is 100% waterproof and can be easily used in the shower and cleaned under the tap.

Rechargeable

When fully charged, this device has cordless power for 20 uses, equivalent to 10 days when used twice per day.

1 minute cleansing program

With the 1 minute recommended cleansing program for effective and superior cleansing, VisaPure mini facial cleanser easily fits in your routine and makes it better!

Compatible with all brushes

This device is compatible with all Philips brushes, which are designed to fit your individual skin type and needs.

Compact for your convenience

With its compact and lightweight design VisaPure mini facial cleanser easily fits in your handbag or bathroom shelf. It's the perfect mini cleanser for your daily skincare routine wherever you are.
