PHILIPS

Internal drip tray cover

HD5098

Prevents condensation in the coffee dump box

Please check specifications for compatible products

This black lid covers the front drip tray of your Xelsis espresso machine. The cover is located under the stainless steel grate that covers the drip tray and prevents condensation.

Ease of using Philips spare parts

- Easily renew your product with original Philips parts

Highlights

Easy replacement of product parts
From time to time your product needs a facelift, and with Philips consumer replacement parts to renew your product, it's never been so easy! All this with guaranteed Philips quality.
