

Philips PerfectCare Expert Plus
Steam generator iron

Max 7.5 bar pressure

Up to 500 g steam boost
1.8L detachable watertank
Ultra-light iron

GC8960/40

Incredibly light and powerful

for speed and comfort

PerfectCare Expert Plus is designed for your comfort and convenience. Ultra-light and easy to handle, but still with powerful steam to achieve great results faster. With OptimalTEMP technology to guarantee no burns on all ironable garments.

No temperature setting needed, guaranteed no burn

- OptimalTEMP technology, no temperature settings required
- No burns – guaranteed

Fast ironing with continuous powerful steam

- Powerful steam for ultimate crease removal
- Easy and efficient descaling system for lasting performance
- SteamGlide Advanced soleplate, ultimate gliding & durability
- Save energy with ECO mode

Extra convenience

- Ultra-light weight and comfortable iron to handle
- Powerful yet silent steam
- Large 1.8L detachable water tank for easy refilling
- Carry lock for safe and easy transport
- Automatic shut off when iron is left unattended

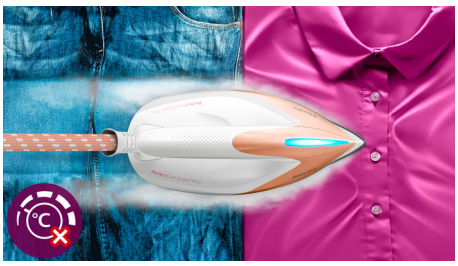
PHILIPS

Steam generator iron
Max 7.5 bar pressure Up to 500 g steam boost, 1.8L detachable watertank, Ultra-light iron

GC8960/40

Highlights

No temperature setting needed



Iron everything from silk to jeans without adjusting the temperature. Thanks to OptimalTEMP, no dial or settings are needed. So there's no more pre-sorting the laundry, or waiting for the iron to heat up and cool down. You're ready for any fabric, anytime.

No burns – guaranteed

Thanks to OptimalTEMP technology, we guarantee this iron will never cause burns to any ironable fabric. You can even leave it resting face down on your clothes or ironing board. No burns, no shine. Guaranteed.

Ultra-powerful steam

Strong, continuous steam tackles even the thickest fabrics with ease. Watch stubborn creases melt away with an extra steam boost just where you need it. This extra steam is perfect for vertical steaming to refresh clothes and curtains, too.

Ultra-light weight iron

The iron is amazingly light and comfortable to handle, gliding easily and reducing wrist strain. Its minimal weight also makes it easy and effective for vertical steaming of curtains and hanging clothes.

SteamGlide Advanced soleplate

SteamGlide Advanced is our best soleplate for ultimate gliding performance and maximum scratch resistance. Its stainless steel base is twice as hard as a regular aluminum base, and our patented 6-layer coating with advanced titanium layer glides effortlessly for the fastest results.

Easy De-Calc

Regular descaling protects your iron, extends its lifetime, and ensures the best steam performance. Our exclusive Easy De-Calc system collects limescale continuously with an indicator light to tell you when it needs emptying. Simply remove the plug and let the water and scale particles flow out.

Silent steam technology

Silencing filters minimize steam noise so our powerful steam won't overpower the sounds of television, music or family.

1.8L detachable water tank

1.8-liter transparent tank gives you up to 2 hours of continuous use. When the water tank is empty, you will be reminded by the indicator light and you can refill easily at any time under the tap through the large filling door.

Safety carry lock

Lock your iron securely to the base station for easy carrying around the house and to reduce the risk of accidentally touching the hot soleplate.

Steam generator iron

Max 7.5 bar pressure Up to 500 g steam boost, 1.8L detachable watertank, Ultra-light iron

Specifications

Technology
- Cyclonic steam chamber
- For all ironable fabrics
- No burns
- No temperature settings needed
- OptimalTEMP technology
- Silent steam Technology

Fast crease removal
- Continuous steam: Up to 120 g/min
- Power: Max 2100 W
- Pressure: Max 7.5 bar
- Ready to use: 2 min
- Steam boost: Up to 500 g
- Steam-on-demand
- Vertical steam
- Voltage: 220 - 240 V

Easy to use
- Safe on all ironable fabrics: Even delicates like silk
- Soleplate gliding performance: 5 stars
- Soleplate name: SteamGlide Advanced
- Water tank capacity: 1800 ml
- Detachable water tank
- Hose length: 1.7 m
- Low water alert
- Power cord length: 1.65 m
- Precision steam tip
- Ready to use: Light indicator
- Refill any time during use
- Safety auto off
- Soleplate scratch resistance: 5 stars
- Tap water suitable

Scale management
- Descaling and cleaning: Easy De-calc
- Descaling reminder: Light

Storage
- Carry lock: For transportation and safety
- Hose storage: Hose storage compartment

Size and weight
- Packaging dimensions (WxHxL): 31 x 31 x 47 cm
- Product dimensions (WxHxL): 23.9 x 26.9 x 42.6 cm
- Total weight with packaging: 5.5 kg
- Weight of iron: 0.8 kg
- Weight of iron + base: 3.2 kg

Guarantee
- 2 year worldwide guarantee

Green efficiency
- Energy saving mode
- Energy saving*: 45 %
- Product packaging: 100% recycable
- User manual: 100% recycled paper
