LFP326X Cooker Hood

Making cooking more convenient

Our discreet cooker hood fits neatly into your kitchen furniture. The sleek lines complement any decor, and the modern glass folds out to catch more vapours and odours. And of course, its sleek and understated finishs adds a touch of class to your existing decor.

Unfold for cleaner cooking

Enjoy more space and complementary style with the Electrolux cooker hood. It's built directly into the cabinet and can be pulled right out when needed. It makes your kitchen feel sleek and functional, whatever you're cooking.

Hood settings, made simple

Your cooker hood functions can be easily reached with our mechanical controls. Adjust the light settings or the fan speed for fast, flexible cooking.
