compatible with Qi wireless charging, including the iPhone 8, iPhone X, and Samsung Galaxy S7, S8 and S9. It is the perfect solution to charge any device, with or without using cables.

Wired connection

Does the situation call for wired charging? You can charge any USB device such as your phone, tablet, Bluetooth speaker or headphones at a maximum speed of 12W with the included micro-USB cable or your own Apple lightning cable to charge your Apple devices. The powerbank automatically detects the fastest charging speed of your device so your devices are always charged at the highest possible speed. To fast recharge your powerbank, use a 2A USB charger.

Power for on the road

This wireless charging powerbank is perfectly made for when you’re on the road because of its pocket-size design. It is ultra-thin: only 15mm thickness. Easily slip it into your bag when leaving home. And this is not all, it comes with a flashlight function. Turn on the flashlight and you will find your keys in the dark in no-time.
