Almo 2.0 speaker set - black

Enhance your sound

It will give you a clear audio experience at any time. With the 10W peak power (5W RMS), you can always fully enjoy movies, gaming sounds and your favourite music coming from your PC or laptop.

Easy to use

This set is USB powered which means that you can install the speakers very easily on your desk or connect them to your laptop. Simply plug in the 150cm USB cable and 3.5mm audio connection cable and it is ready to use: no wall power needed.

Convenient control

Turn the speakers on or off and adjust the volume with the buttons placed on the front. If you don't want to disturb others with your music, you can even plug your headphones straight into the speakers on the front side and listen to your music through your headphones.
