your music by syncing the lights to the rhythm of the music. With this speaker’s big 20cm cubicle shape, it radiates light in all directions.

Set the mood

To set the perfect mood, the Lara comes with a wireless remote to control the music and lights. You can choose your colour or light show, adjust the intensity of the lights as well as turn up/down the volume of the music, change the track or mute the sound. You control the setting!

Use freely

Feel free to use this speaker anywhere you like. It has a rechargeable, battery convenient carry handle and is IPX4 weather-proof. Your music is protected when you will spill some drops of your party drink or splatter accidentally when singing in the shower.

Wireless fun

Simply connect your Bluetooth device and you can play your music wirelessly within a 10-meter range. The Lara has a rechargeable battery with a playtime of up to 8 hours. The speakers can be recharged with the included USB charge cable.
