Highlights

Interlaced Optics
This ceiling light features Interlaced Optics technology, cleverly redistributing the light to enhance your overall lighting experience. This fixture's lens has a pyramid micro-structure that diffuses and evenly distributes the light, making it easier on the eyes.

Easy installation
No more hassle with installation. Just fix or hang securely on the wall or ceiling, and plug it in. Your new light fitting is now ready to light up your room!

EyeComfort
Poor quality light can cause eye strain. With many of us spending time indoors, it's more important than ever to properly light your home. Our products meet stringent test criteria including flicker, strobe, glare, colour rendition and dimming effects to ensure they
meet EyeComfort requirements. Philips LED bulbs not only deliver comfortable light, but also stay that way for the duration of their lifespan, delivering consistent light quality, output and colour for more than a decade. Switch to light that's easy on your eyes. Your eyes will thank you.

Easy to clean
Smooth and easy-to-clean materials mean your home always looks attractive from floor to ceiling.

Long life span up to 15,000 hours
Philips LED technology extends your product's lifetime up to 15,000 hours.
