• Ultra-small for snug comfy in-ear fit

Always ready to go

• A 1.2m long cable that is ideal for outdoor use
• Anti-tangle slider

Features

1.2m cable

The ideal cable length to give you the freedom to put your audio device where you want.

PHILIPS

For optimal fit in all ears

With a choice of 3 interchangeable ear caps from size small to large, surely there is a pair that makes these Philips earphones fit your ear perfectly.

Perfect in-ear seal

The Super-small speaker drivers of these Philips earphones fit comfortably inside the ear and thanks to the exceptionally snug fit the outside noise is sealed out for high-intensity listening experience.

Anti-tangle slider

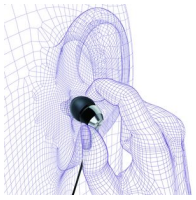

When storing your headphones there is a risk that the cables tangle if not stored carefully. This makes it a hassle to store the headphones and get them ready for listening. Simply slide the anti-tangle slider towards the earpieces to keep the two earpiece cables neatly together, and to minimize the risk of the cables tangling.

Small efficient speakers

Small efficient speakers for Philips earphones ensure an exact fit and deliver precise sound with powerful bass, ideal for your listening enjoyment.

Ultra-small in-ear

Ultra small, lightweight in-ear design for best fit in smaller ears, for long hours listening.
