Whole Home Tri-band Mesh WiFi 7 Add-on Satellite

770 Series

Instantly Expand WiFi 7 Coverage

Easily expand coverage and increase reliability with Orbi 770 Series Add-on Satellites. Each Orbi Add-on Satellite expands WiFi coverage for your 770 Series Mesh System by up to 2,750 sq. ft.[1] The Orbi 770 Series unlocks the power of WiFi 7 with speeds up to 11 Gbps[1], 2.4x faster than WiFi 6. In addition, the Orbi 770 brings exceptional 360° WiFi coverage across every corner of your home, regardless of the layout, from the front door to the backyard.

Key Features

- **2.4X Faster than WiFi 6—**Unlock incredible speeds up to 11 Gbps[1] with a mesh system engineered for fast, reliable WiFi across your devices.
- **Instantly Expand WiFi Coverage—**Each Orbi Add-on Satellite expands WiFi coverage for your 770 Series Mesh System by up to 2,750 sq. ft.[1]
- **Effortless Setup**—Add your new Orbi Satellite to your existing 770 Series Mesh System quickly and easily with the Orbi app.
- **High-performance Antennas**—Get enhanced 360° coverage from the front door to the backyard, around corners, and across your whole home.
- **Ultra-fast Wired Performance**—Get the fastest, most reliable performance yet for wired connections with two 2.5 Gig LAN ports.

Technical Specifications

- Coverage up to 2,750 sq. ft.
- Tri-band with 6 streams of WiFi
  - 6 GHz[2] (2x2)
  - 5 GHz (2x2)
  - 2.4 GHz (2x2)
- Multi-Gig Ethernet ports
  - (2) 10/100/1000/2500 Mbps Multi-Gig Ethernet LAN ports (each)
- Processor
  - Powerful quad-core 1.5GHz processor
- Antenna
  - (4) high-performance internal antennas with high-power amplifiers

Services & Security

- Orbi Mobile App[3]—Do it all in the Orbi App to easily set up, monitor and manage your Orbi WiFi and access exclusive NETGEAR services.
- Create separate WiFi Networks:
  - Main Network: Primary network for your family's devices
  - IoT Network: Separate connection for smart home devices
  - Guest Network: Dedicated network for visitor access
- Access Control helps to prevent rogue devices from connecting to your network
- Supports automatic firmware updates to help improve security and performance*
- Engineered with exceptional WPA3 encryption technology to enhance the security of the WiFi connection to your devices
- Supports VPN to remotely access your home network more securely

NETGEAR®

Whole Home Tri-band Mesh WiFi 7 System

770 Series

Package Contents

- (1) Orbi WiFi 7 Satellite (RBE770)
- (1) power adapter
- Quick start guide

System Requirements

- Tri-band Mesh WiFi 7 Router (RBE771) – **SOLD SEPARATELY**
- High-speed Internet connection to existing modem or gateway

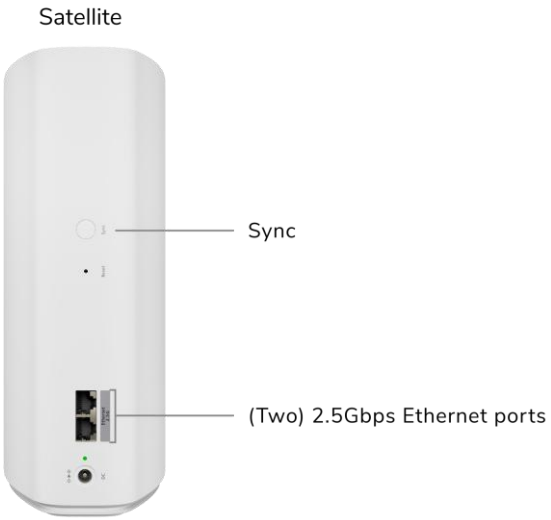

Warranty & Support

- netgear.com/warranty
- Technical support is available at no charge for a specified period. Details at: netgear.com/home/support/details
- Join the NETGEAR Community Forum. Visit http://community.netgear.com

Physical Specifications

- Dimensions: 9.88 x 5.28 x 3.95 in (251.2 x 134.2 x 100.4 mm) each
- Weight: 2.02 lb (.916 kg) each

Connections

This product comes with a limited warranty that is valid only if purchased from a NETGEAR authorized reseller.

* For the duration of software and cyber security updates, visit netgear.com/eos.

[1] Maximum wireless signal rate derived from IEEE 802.11be specifications. Actual data throughput and wireless coverage will vary and be lowered by network, your country's regulation, and environmental conditions, including network traffic volume, device limitations, and building construction. NETGEAR makes no representations or warranties about this product's compatibility with future standards. To achieve maximum wireless/wired speed requires devices that use the latest wireless/wired standards and support maximum speeds.

[2] Clients must support 6 GHZ band (WiFi 6E). 6 GHz band is limited to indoor range.

[3] Requires registration for a free NETGEAR account, installation of the Orbi iOS or Android app as well as agreement to the NETGEAR Terms of Service and Privacy Policy available at www.NETGEAR.com.
