PHILIPS
sense and simplicity

Highlights

2 extra mounting options
2 extra mounting options: clamp or wall mounted.

Adjustable free-swing arm
Adjustable free-swing arm to direct the light where needed.

Anti-glare filter
Anti-glare filter. Directs stray light away from eyes and onto work surfaces without decreasing brightness level.

High light quality
High light quality with Philips energy saving lamps included

Long lifetime
Long lifetime up to 8.000 hours

On/off switch on article

With the button discreetly integrated to the article, you can easily switch the light on and off.

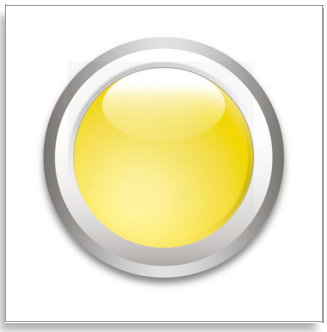

Philips bulb(s) included
This lamp comes with Philips light bulb(s), offering you the best light quality and effect, matching your lamp.

Saves up to 80% energy

The big advantage of fluorescent lighting is its energy efficiency. A fluorescent lamp consumes just one fifth of the energy of a conventionnal bulb. That means installing Philips fluorescent lighting in your home to replace standard bulbs will reduce your lighting electricity bill by around 80%!

Warm white light effect

Warm white light effect
