Specification Sheet

Humanscale®

Monarch Mat, Grey

Model Number: MONARCH-G
Commercial Price (As of 10/17/23): €289.00

FEATURES

• Provides comfort, support and pressure relief while sitting and standing
• Unique design allows the user's chair to easily roll back and forth
• Lightweight and portable at 3.6kg (8 lbs.)
• Passes rigorous durability tests by withstanding 70kg (154 lbs.) rolled on its surface for up to 30,000 cycles
• Try without shoes for increased comfort and cooling thermal regulation
• Underside grip prevents sliding during use

SPECIFICATIONS

• Product Weight: 3.6kg (8 lbs.)
• Product Size: 508mm x 737mm x 203mm (20" x 29" x 0.8") HxWxD
• Product Colors: Black or Grey
• Product Materials: Polyurethane/Gel
• Warranty: 3 years

SUSTAINABILITY

The Monarch Mat uses polyurethane gel without plasticisers – the same sustainable technology found in Humanscale's gel cushions, palm supports and armrests. It is non-toxic, odourless and resists hardening or softening due to temperature or age – increasing the mat's longevity.
