Highlights

15,000-hour rated average life

With a lifetime of up to 15,000 hours, you can reduce the hassle of frequently replacing your light bulbs, and enjoy a perfect lighting solution for over 15 years.

Cool, white light

This bulb has a color temperature of 4000K providing you with an extra cool, fresh and crisp light.

Bulb as a Fixture
New contemporary twist to the industrial lighting trend, featuring a portfolio of highly stylized giant filament LED bulbs that are designed to be seen. Use with hanging pendant or cord lights to highlight the beauty of the bulb itself.

Dimmable
This bulb can be used with most dimmers to create your desired ambience with smooth dimming to 10% of full light levels. Please check the dimmability compatibility chart to be certain that your particular dimmer can be used with this bulb.

Modern
Modern design for contemporary interior décor, with a unique sleek look perfect for any home with an industrial/chic feel. It features a smoky grey glass with a thin, single vertical filament and a black finish base to match your décor. Cooler light output for crisp and clean ambiance.
