AEG

Integrated Refrigerator 176.9 cm A+

SKB8181VDC

Take full control of all the settings, using the advanced Touch Controls
The temperature display with advanced Touch Controls lets you take full control of the storage conditions of your food. The controls are so sensitive that you can adjust the settings precisely with just the lightest touch of a finger. The display relays feedback about the current temperature and functions selected.

Product Benefits & Features

Fresh food thanks to the fridge's controlled storage conditions
DynamicAir Technology keeps the temperature even throughout the whole refrigerator, which guarantees the safest storage for all your fresh food items.

Fridge freezer with an open and shut case
Leaving your fridge or freezer door open results in wasted energy and rising temperatures, potentially causing your food to spoil. That's why these doors are designed to close all on their own if you leave them open accidentally - softly, quietly and precisely.

Bright and even light that shines into every corner of your fridge
LED lights represent the most cutting edge lighting technology, which is why AEG has integrated them inside this fridge. The internal LED lighting produces a brighter light, which shines evenly across the whole space. Plus, LED technology is smaller and more energy efficient, for more space inside

Optimum storage for all fresh and frozen food in one appliance
This fridge-freezer has a generous internal capacity. What's more, the space is divided up intelligently, so you can store your food optimally.

Optimum storage space for perfect results
With an extra-large storage drawer that pulls out on telescopic guides, and a special internal divider, this refrigerator provides optimum storage conditions.

- LCD touch display
- Holiday mode
- Child-proof control panel protection
- Coolmatic
- Door open indicator
- 314 litre gross fridge capacity
- 310 litre net fridge capacity
- Auto fridge defrost
- Precision cooling system
- Full width covered dairy compartment
- Door shelves
- Half width sliding door shelf
- Hinge type: Fixed door on door
- Reversible door

Product Specification

Dimensions (mm) (HxWxD)	1769x556x549
Dimensions	1780x560x550
Installation	BI DoD
Door hinges	Right & Reversible
Min. ambient temp, C	10
Cord Length	2.4
Voltage	230-240
Frequency	50
Energy efficiency (2010/30/EC)	A+
Height (mm)	1769
Width (mm)	556
Depth (mm)	549
Annual energy consumption, kWh	142
Freezing capacity, kg/24h	0
Rising time, h	0
Climate Class (2010/30/EC)	SN-N-ST
Noise level, dB(A)	35
DK_RE_GrossNet_capacity	314/310
Gross capacity chill zone	0
Net capacity chill zone (l)	0
Gross capacity star compartment	0
Net capacity star compartment (l)	0
Star Rating Freezer Compartment	None
Colour	White

Lamps, refrigerator	1, Internal. LED, Side, With rise-on effect
Equipment Zero	None
ProdPartCode	All Open
