Data Sheet
FUJITSU Tablet STYLISTIC V535 Industrial

Tough Tablet for Hard Work

The FUJITSU Tablet STYLISTIC V535 enables new levels of productivity in industrial settings. It is made for rough environments thanks to a water and dust resistant yet lightweight design and combined with a 21.0 cm (8.3-inch) display with toughened glass. Ultimate connectivity and navigation options like 4G/LTE, NFC, GPS and GLONASS as well as a long battery runtime let you stay connected wherever you are. Easy integration and security are enabled due to Windows 8.1 and TPM. The Fujitsu Smart Shell concept is designed to fit to individual industrial requirements.

Made for rough and tough environments

Discover new levels of productivity in industrial and retail settings.

- Rugged water and dust resistant design based on IP65 rating, MIL-STD 810G tested for durabiltiy, drop resistant up to 1.8 m (with rugged frame), medical wipeable and with an extended temperature range for outdoor use.

Highly adaptable for industrial use

Individualization to industry- and customer-specific requirements.

- The Fujitsu Smart Shell concept includes a Smart Shell for Mounting to match industrial and transportation use. In addition to that, a Smart Shell with SmartCard reader does not only allow enhanced secure authentication, it also allows the user to read electronic patient cards in healthcare. A Smart Shell for retail is ready to hold a Chip & PIN reader to enable ePayment solutions. A cradle provides maximum comfort in the office.

Ultimate usability

Full-day productivity.

- Bright IPS display with toughened glass and multi-touch support, even with gloves. Combined with a battery runtime of up to 6.5 hours. Built-in cameras and microphones allow easy collaboration.

Enterprise connectivity and navigation embedded.

Access to data from everywhere, even enabling professional and highly accurate navigation.

- Optionally embedded 4G/LTE, NFC for real-time warehousing or contactless authentication, as well as GPS and GLONASS for highest navigation flexibility and accuracy.

Wireless technologies		
Antennas	2x dual band WLAN/BT, 1x NFC for dedicated module	
Bluetooth	Bluetooth 4.0	
Integrated WLAN	WLAN 802.11 a/b/g/n	
WLAN notes	Import and usage according to country-specific regulations.	
Integrated LTE or UMTS		Huawei ME936 LTE with integrated GPS
LTE/UMTS/GPS notes	Including GPS functionality Import and usage according to country-specific regulations.	LTE (800, 2600 MHz) Including GPS functionality
NFC	Yes	
GPS	AzureWave GPS-S23	
Power supply		
AC adapter	12V / 36W (3A)	
Rated voltage range	100 V - 240 V (AC Input)	

Power supply			
Rated frequency range	50 Hz - 60 Hz		
1st battery	Lithium polymer battery 2-cell, 16.8 Wh, 4425 mAh	Lithium polymer battery 2-cell, 16.48Wh, 4425 mAh	
Runtime 1st battery	up to 6.5h		
Battery charging time	3h via Cradle, 5h via USB charger		
Battery notes	Battery runtime information is based on worldwide acknowledged BAPCO Mobile Mark 2007 Benchmark (readers mode e.g. surfing the internet, writing E-mails, viewing documents) which provides results that enable direct product comparisons between manufacturers. It does not guarantee any specific battery runtime which actually can be lower and may vary depending on product model, configuration, application and power management settings. The battery capacity slightly decreases with every charging cycle and over the lifetime.		
Dimensions / Weight / Environmental			
Dimensions (W x D x H)	227.8 x 12.5 x 150.1 mm		
	8.97 x 0.49 x 5.91 inch		
Weight	from 540 g		
Weight (lbs)	from 1.19 lbs		
Operating ambient temperature	-10 - 50° C / -23.3° - 122° F		
Operating relative humidity	10 - 90 % (relative humidity)		
Temperature and humidity notes	During operation in the temerature range below 0°C battery will not be charged and LCD may react slowly. During operation in the temperature range above +45°C battery charging may be limited and camera noise may be increased

Recommended Accessories

Multifunctional Cradle STYLISTIC V535		Boosted efficiency, desktop experience, flexibility, expandability - these are only some of the benefits of the cradle for the STYLISTIC V535. The cradle is the perfect docking solution for STYLISTIC V535. In the office, in the warehouse or in the shop, it takes just a second to attach your device to the cradle and get connected to peripherals such as an external display, keyboard and mouse. Your workplace is simple and tidy while you are ready to work with your Fujitsu device.	Order Code: S26391-F2147-L100
Car Adapter USB		Frequent travelers need to charge their mobile devices anywhere. Simply plug the FUJITSU Car Adapter USB into the cigarette lighter socket and instantly feel the benefits of this device. This lightweight, easy to use FUJITSU Car Adapter USB maybe small, but its performance certainly isn't. It will keep your tablet PC and other mobile devices charged anywhere a 12 V power supply is available whether that be in your car or motor home.	Order Code: S26391-F2613-L617
			Order Code: S26391-F6097-L362
Hand Strap for STYLISTIC V535		Carry and handle your tablet with comfort and ease with the FUJITSU Hand Strap. Designed for your STYLISTIC V535, it securely screws to the rear of the tablet for a firm grip and adjusts to fit your hand with a flexible Velcro overlap.	Order Code: S26391-F2148-L810
Shoulder Strap STYLISTIC V535		The Fujitsu Shoulder Strap is the perfect addition to your STYLISTIC V535 SmartCard Shells. The strap uses top quality materials and is highly adjustable, enabling you to transport your device with a minimum of effort and maximum comfort.	Order Code: S26391-F2148-L820
Active Pen for STYLISTIC V535		Annotate and fill in forms on your tablet with the premium, real size FUJITSU Active Pen at high resolution and accuracy with 256 pressure levels. Navigate, erase and right-click with the function button. Includes a battery and a pen holder to attach to the keyboard or tablet.	Order Code: S26391-F2148-L830
Rugged Frame for STYLISTIC V535		The rugged frame for the STYLISTIC V535 is the ideal add-on for even higher drop resistance of up to 1.8 meters. Its removable caps allow access to the Smart Shell and interfaces when the tablet is in the frame. (Pictures shows tablet for illustration purposes - tablet is not part of the package)	Order Code: S26391-F2149-L100

Smart Shell with SmartCard for STYLISTIC V535		Fujitsu's Smart Shell concept allows to adapt the tablet to industry specific needs and requirements. The Smart Shell with SmartCard reader delivers enhanced security and enables multi-factor authentication.	Order Code: S26391-F2149-L200
Mounting Kit for STYLISTIC V535		With the mounting solution for the STYLISTIC V535 the tablet can be securely mounted in a limitless number of use cases in industries like logistics, aviation and manufacturing. The Mounting Kit comprises the Smart Shell for Mounting and the Complementary Mounting Part for the STYLISTIC V535.	Order Code: S26391-F2149-L600
