Frost Free Integrated Fridge Freezer 184.2 cm A+

SCE8191VTS

Fridge freezer for optimal storage capacity in a perfectly integrated kitchen
Thanks to its extra tall design, this MaxiLoad fridge freezer can hold 15% more than a standard built-in fridge freezer, for both optimal storage and perfect integration.

Thanks to its extra tall design, this MaxiLoad fridge freezer can hold 15% more than a standard built-in fridge freezer, for both optimal storage and perfect integration.

Product Benefits & Features

Nature's freshness preserved
A stunning meal starts with impeccable ingredients, lovingly sourced and prepared fresh from the earth. Our TwinTech® system ensures your produce is stored at the optimum temperature and humidity levels, meaning fruit and vegetables stay crisp and fresh for longer, ensuring the flavours that nature provided live on in every

Close control over the fridge freezer's storage conditions
When you alter this fridge freezer's temperature, you receive immediate feedback on the refrigerator's electronic digital control panel. This allows you to make precise adjustments.

Every shelf. Evenly chilled
DynamicAir Technology from AEG maintains a constant airflow to guarantee a stable temperature throughout the refrigerator. Every shelf, evenly chilled. From top to bottom. Preventing warm zones. Prohibiting bacteria growth. Preserving those fresh ingredients.

Bright and even light that shines into every corner of your fridge
LED lights represent the most cutting edge lighting technology, which is why AEG-Electrolux has integrated them inside this fridge freezer. The internal LED lighting produces a brighter light, which shines evenly across the whole space. Plus, LED technology is smaller and more energy efficient, for
