Under Armour® True Wireless Flash – Engineered by JBL®

Truly wireless sport headphones for your every run, with JBL technology and sound

Features and Benefits

Truly Wireless for Sport
Cord-free design enables athletes to maximize each and every workout.

UA STORMPROOF Waterproof Technology
IPX7 Sweat & Waterproof, these buds promise to withstand your most rigorous workout and any elements thrown your way.

Bionic Hearing
Using unique JBL sound and mic technology, Bionic Hearing allows you to hear your surroundings with two sound Technologies – TalkThru & Ambient Aware. With TalkThru Technology, music is lowered and speech is amplified so you can easily chat with a workout partner between sets. AmbientAware delivers a more immersive music experience while increasing ambient sounds, providing the safety of hearing your surroundings.

JBL Charged Sound
Bold sound tuned for sport with rich bass to crush your workout.

25 Hours of total battery life
Battery life can last for 5-hours per charge, but no need for concern if you're on-the-go. Simply recharge your earphones for another 20-hours playtime with the water-resistant, aluminum charging case.

Bluetooth® wireless
Easy-to-connect Bluetooth technology delivers a cable-free, zero-distraction performance.

Sport Flex Fit ear tips
Winged ear tips that are easy to use for maximum security.

Aluminum Charging case
Featuring a sleek, aluminum sliding design, the charging case has a fabric cord and ensures your headphones are recharged quickly and safely.
