Decorate your home with light

Authentic rustic style meets the latest technology, Philips myLiving County is an elegant metal trio spot in bronze. The traditional shape houses advanced LEDs which cast plenty of warm white light that's bright and beautiful like halogen.

Sustainable light solutions

- Energy saving
- High quality LED light
- Warm white light
- Philips offers a 5-year warranty on the LED module and driver

Special characteristics

- Adjustable spot head

Designed for your living room and bedroom

- Perfect to relax and socialise
- Create a stylish and welcoming atmosphere

Highlights

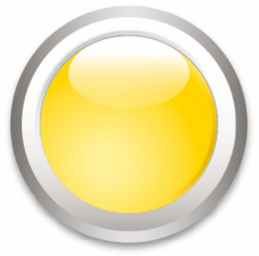
Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

High quality LED light

The LED technology integrated into this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

Warm white light



Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

5-year warranty on LED system

On top of the standard 2-year warranty for this lamp, Philips offers a 5-year warranty on the LED system, meaning the LED module and the driver in this lamp.

Adjustable spot head

Direct the light where you want it most by simply adjusting, rotating or tilting the spot head of the lamp.

Perfect to relax and socialise

The living room is the heart of any home: a place where families gather to relax and guests socialise. Lighting for your living room and bedroom has to be flexible and easy to adjust to its different uses throughout the day. Careful placement of different light sources and playing with light layering helps create the feeling of space and gives the room a warm and welcoming feel.

Create a stylish atmosphere

This light is designed around the latest tastes, trends and lifestyles to blend effortlessly into your décor and define the localised ambience you have always desired.
