Thule Atmos™ X3 - Galaxy S5

Thule Atmos™ X3
Galaxy S5 Case

TAGE3162

Delivering a sleek silhouette with outstanding protective performance, the Thule Atmos X3 case establishes a new benchmark for superior protection in a case that doesn't add bulk to your Galaxy S5 smartphone

Product Features:

1. Bi-component Armor provides exceptional protection with minimal bulk
2. Shock-Stop corners add impact protection where it's needed most
3. Function Plus buttons are precision engineered for easy use
4. Edge chamfers and bezels slim in-hand feel and improve controllability
5. Grippy inlay on front, back and sides of case for control during active use
6. Screen, power button, speakers and charging port are protected from impact and scratches.
7. Slip-resistant back stays put where you set it down.
8. Simple snap-on installation.
