*Compare to Philips' number one blender HR2094

# Highlights

## Variable speed control with illuminated display

Set the blender to the speed you want with this unique control knob.

## Detachable blade unit

Easy cleaning with detachable blade unit

## Programmed ice-crush function

Motor will operate pre-programmed sequence to crush ice easily at the touch of a button

## Spatula

The handy spatula of the Philips blender ensures safe stirring while blending the ingredients.

## Unique jar

Blade positioned off-centre in the jar will create turbulence and mix ingredients in the most effective way.

## Dishwasher safe

All parts are dishwasher safe, except for the main unit and blade assembly.

## 2 l glass jar

The 2-l jar is made of high-quality glass, which is scratch-proof, and makes it possible to process hot ingredients.

## ProBlend 6 star blade

Philips blender with innovative ProBlend 6 technology for blending fruits, cutting vegetables and crushing ice in the most effective way.

## Pulse and quiet mode

Pulse button to control the operation and quiet mode that will run at low speed causing a lower decibel level.
