

Philips
Headphones

8.6-mm drivers/semi-closed back

In-ear

SHE5200RD

Powerful sound

Small in size, Big in bass

SHE5200 is a robust in-ear headphone with a rubberised back for protection. Explosive speaker drivers produce a deep bass that makes the headphones sound as powerful as they look. Enjoy distraction-free music with exceptional noise cancellation.

Extra powerful sound
- Quality 8.6 mm drivers with powerful magnet
- Enforced 2.5 mm diameter cable for more powerful sound

Ultimate wearing comfort
- Choose from 3 pairs of ear caps for the perfect fit for you
- Contoured earphone body for comfort during longer periods of use

Design for convenience
- Reinforced cable for durability
- Spring steel cable relief for tough usage
