Step into the adventure

Travel the busy skies! The Philips myKidsRoom Avigo ceiling light takes your child to the world of air travel, where planes take off, circle and land.This durable fairy-tale light keeps the room well lit using less energy.

Sustainable light solutions
- Philips bulb always included
- Energy saving
- Warm white light

Designed for your kids' room
- For kids

PHILIPS

Highlights

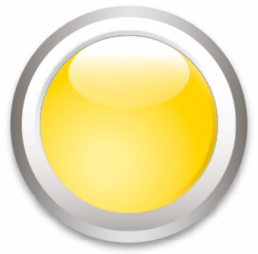
Philips bulb always included

High-quality Philips EcoLamp energy-efficient light lamps are included in the box for achieving the best light effect.

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Warm white light



Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

For kids

This Philips child's room lamp creates an environment that encourages children to indulge in what they enjoy most: fun and creativity! But this lamp is also designed to be safe for your child: it is cool to touch and robust, and uses non-toxic paint.

Specifications
