HK624010XB Built-in Hob

Efficient touch controls

Efficient touch controls enable you to set the hob's heat level precisely, while its flat surface is easy to clean and integrates seamlessly with your work surfaces.

Increase your cooking options

You can do more with this hob! Thanks to the extendable cooking zone, you can prepare dishes using a wider variety of pots and pans.

An instant overview of where your hob is still hot

Thanks to the forward position of the residual-heat indicators on the hob, you have an instant, clear overview of all the areas on the hob that are still cooling down.

More Benefits :

• Child safety device – ensures the hob stays off
