More product information

- A spiral album allows you to not only archive your photos, but you can also get creative with the album's design
- Stick in more than just photos: the white inner pages provide space for all manner of stories about the various pictures and other memories, such as tickets, drawings, etc.
- The spiral album is especially good for creating scrapbooks
- You choose how many photos you want to stick on one page
- The inside pages are separated with white/transparent glassine interleaves: they provide a clear view of the next page and protect your photos and creatively designed pages from sticking together

What's in the Box
