

MOTION VDM SERIES DISPLAY MOUNT WITH 400 VESA

VDM-400-M. |

FEATURES & BENEFITS

We recognize that there is a lot of crossover between the Middle Atlantic and Chief product lines, spanning a few categories. With this in mind, Middle Atlantic will begin to phase out these display mounts and AV storage solutions from now and into 2019. Middle Atlantic's goal is to make this process as seamless as possible to our partners. If you have further questions, concerns or needs, please contact 973-839-1011.

- Proximity mounting plate included to enable location of the AV system directly behind the display
- Post-install leveling mechanism enables quick micro-adjustment of horizontal plane of display
- Safety locking features keep the display securely mounted
- Maximum VESA: 400x400mm
- Recommended display size: 22" – 46"
- Weight Capacity: 50 lbs.
- Horizontal and tilt adjustment allow easier alignment of the display and better viewing angles for the end user
- Included wall plate cover provides aesthetic appeal when arm is extended and back is visible
- Certified to UL 2442 for safe, reliable installs
- Cable management built into arms to help maintain signal integrity and aesthetics
- Arm extends 24"
- Ideal for corner mount installs and single-person servicing
