Extended retailer text	Convenient charging Bring the convenience of wireless charging to your home or office with the Primo10 Wireless Fast-charging Desk Stand. Charging your phone at high speed while holding it in the perfect position to keep track of notifications or watch a video; the Primo10 is the perfect addition to any desk. Dual orientation Primo10 is made to fit your every need. With its dual-coil design, the desk stand will charge your phone while holding it in your favourite position: vertically or horizontally. The advanced technology will support the charging of your phone in either orientation, whether you're working at your desk, or enjoying a tv show during lunch. High speed This wireless charging stand supports fast-charging for Apple iPhone (7.5W) and Samsung Galaxy (10W). It will also charge any other Qi-compatible device at normal 5W power. Connect the stand to any USB charger with Quick Charge 2.0 technology or higher, and it will always be ready to charge your iPhone or Galaxy at the highest possible speed. Night Mode The LED light will indicate whether your phone is charging. The light will turn off after 20 seconds, so the light won't bother you in the dark, in case the charging stand is in your bedroom. You can now comfortably use the stand wherever you prefer.
