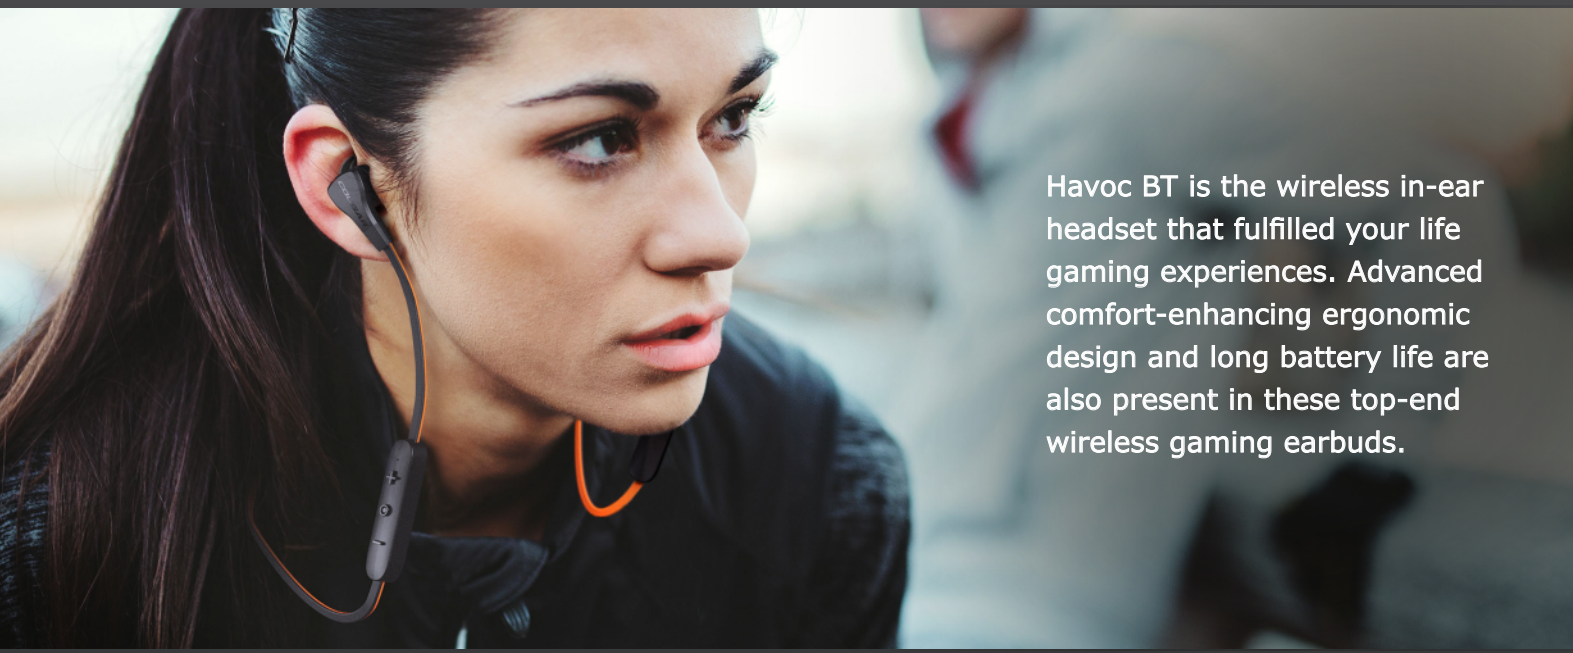
HAVOC BT

Amplify the Life Gaming Presence



Havoc BT is the wireless in-ear headset that fulfilled your life gaming experiences. Advanced comfort-enhancing ergonomic design and long battery life are also present in these top-end wireless gaming earbuds.

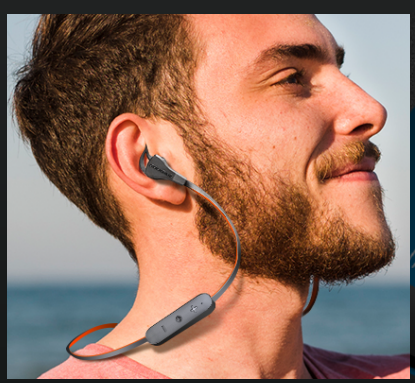
The Best Audio

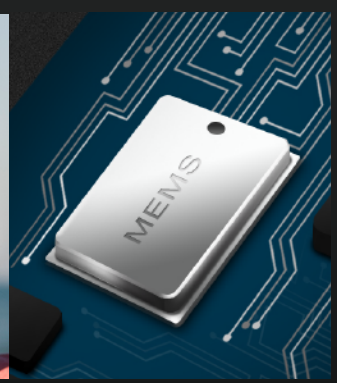
The combination among the 10mm-size driver, graphene diaphragms and the aptX™ decoder technology, Havoc BT will brighten everything you can hear; every little gaming detail will not be missed. The optimized sound will keep you struggling to believe it comes for a wireless in-ear headset.

The aptX audio technology supports high-quality wireless audio, bringing pro-audio quality to consumer electronic devices.

Excellent Sound Picking

Havoc BT premium MEMS microphone transfers your voice clearly, ensuring an optimal online (in-game and off-game) chatting experience.





Wireless freedom

Havoc BT's state-of-the-art Bluetooth Technology combines a great range with absolute compatibility and meanwhile brings you up to 8 hours of battery life and rapid charging within two hours that will survive most gaming or life sessions. Havoc BT stays connected for as long as you want it to!

- iOS Compatibile
- Android Compatibile
- Bluetooth
- Up to 8 hours battery life
- Rapid Charging Within 2-hour with 1A/5V power connection
- 10m Receive Range

Absolute Comfort

For the ergonomic concern, Havoc BT brings a stress-free presence by your demands. For the long period of immersing yourself in the game, various options of Havoc BT provide the perfect adaptation to be comfortable. To guarantee an enjoyable experience, we have included six sets of earbuds, using two materials (Flexile foam and silicon rubber) and three sizes (S, M, and L).

HAVOC BT

Amplify the Life Gaming Presence

Ultra-Stable

Silicon ear options with Bluetooth technology allow Havoc BT to optimize freedom in the life gaming experience. Three types of silicon ear hook sets increase the comforts and keep them perfectly stable in your ear.
