Highlights

Water level indicators

Easy-to-read water level indicators on both sides of the Philips electric kettle for left- and right-handed use.

Easy filling and cleaning

Hinged lid with large opening for easy filling, cleaning and avoiding steam contact. The kettle can also be filled through the spout.

Cord winder

The cord can be wrapped around the base, so that the kettle is easy to place in your kitchen.

Flat heating element

The stainless steel concealed element ensures fast boiling and easy cleaning.

Cordless 360° pirouette base

Cordless 360° pirouette base for easy lifting and placing.

Multi safety system

Multi safety system against boil-dry, with auto switch-off when ready

Lid knob stays cool

Lid knob stays cool for a safe touch.

Micro-mesh filter

The removable micro-mesh filter on the spout retains all scale particles larger than 200 microns and ensures that the water you put into your cup is clean.
