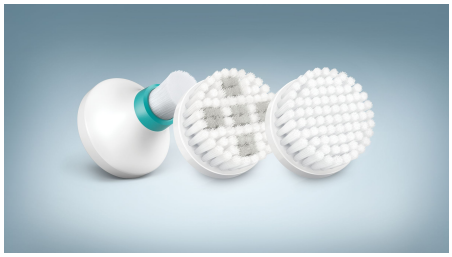
Highlights

DualMotion technology

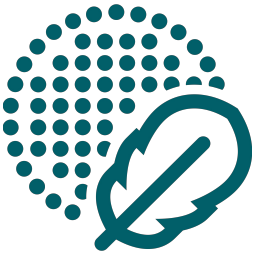
Philips Dual Motion technology combines brush rotation with vibration, allowing the bristles to cleanse deeply seated oil and dirt from your face, contributing to a healthy and radiant skin.

Multiple brush heads types



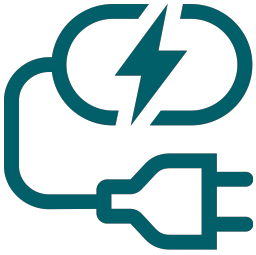
Multiplel brush heads available for different needs. Oil control brush head for daily cleansing and oil control; Deep pore brush head for removing black heads; Precision brush head for the difficult to reach area. .

Silky soft bristles



Simply use the device in combination with your own daily cleansing product. The silky soft bristles are as gentle as your hands but more effective, reaching all uneven and difficult spots.

Rechargeable



When fully charged, the Philips VisaPure MEN Essential provides up to 20 cleanses, equivalent to 10 days of use, twice a day.

Waterproof

Philips VisaPure MEN Essential is waterproof and can easily be used in the shower and cleaned under the tap.
