PHILIPS

Features

Weather-proof

This Philips outdoor lamp is specially designed for humid outdoor environments and has undergone rigorous tests to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This lamp is designed with IP44: it is protected against splashing water. This product is most common and ideal for general outdoor use.

Create a stylish atmosphere

This outdoor wall light is designed around the latest trends and lifestyles to blend effortlessly into your outdoor space and define the ambience you have always desired.

High-quality materials

This Philips outdoor lamp is made of high-quality materials with superior finishing. This ensures a solid and long-lasting product that is resistant to corrosion and stains in all weather conditions
