NGS WIRED STEREO EARPHONE CROSS RALLY GRAPHITE

METALLIC EARPHONE - 1.2M CABLE VOICE ASSISTANT ACCESS - 3.5MM

NGS presents these elegant intra-aural metal earphones with microphone and 3.5 mm jack connection.

NGS Cross Rally is compatible with your smartphone or audio player and outstands for its sound quality and durability.

Equipped with a multi-function button and Voice Assistant technology that allows you to connect with the virtual assistant of your smartphone/ tablet by pressing just one button.

You can Play/Pause the music, go to the Previous/Next song at the touch of this button that permits you controlling the music.

Thanks to its built-in microphone you can answer and end your calls without taking your smartphone out of the pocket (Hands-free function).

NGS Cross Rally is equipped with a 120 cm flat design cable that allows you to move around freely and avoid tangles when carrying your earphones.

These in-ear metal earphones feature silicone pads that are ideal for training or running, as they adapt to your ears and prevent them from slipping out.

It also includes earbuds in 3 different sizes (S/M/L) to fit your ears perfectly.

NGS Cross Rally Graphite, black details are combined with graphite
