Highlights

Cozy night light
When the SoftPal stays connected to the USB charger, it will fade to a lower light intensity after 10 minutes. This makes it the perfect night light. When disconnected from the USB charger, it will turn autimatically off after 15 minutes.

Tilt to turn on and off
Light up the night by simply turning the SoftPal. The LED light inside will switch on and off with every tilt of the hand.

For a night filled with light

With the LED light inside, your SoftPal can light up the night in a sure and safe way: always cool to touch. Thanks to its LED, SoftPal will shine for longer too.

Specially designed for kids

Specially designed for kids, the SoftPal is sure to bring a world of light to your child's bedroom and sleep time in a safe and comforting way.

Easy USB charging
Your SoftPal can easily be charged with any compatible USB.
