Marketing

Extended retailer text	Comfortable fit The Ozzo Ultra Soft Earphones enable you to listen to your favourite music comfortably when you take a nap, are on a long flight or simply have sensitive ears. The uniquely soft and flexible ear shells made of a smooth silicon material give you that extra bit of comfort, matter what position you’re in. Full control Connect the 3.5mm jack plug and you’re in control of your smartphone without taking it out of your pocket: the in-line remote offers all the controls you need. Simply use the buttons to pick-up a phone call or navigate through your music playlist and press the universal control button for quick access to the voice assistant of your phone.
