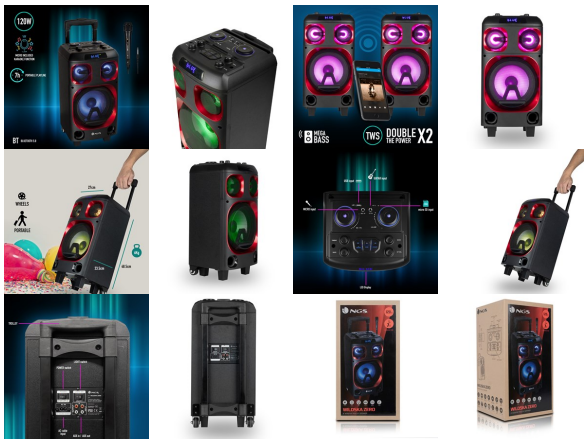
# NGS PREMIUM SPEAKER WILD SKA ZERO



**120W 8" WOOFER SPEAKER BUILT IN BATTERY- USB/SD/BT**

**NGS Wild Ska Zero a portable wireless party speaker with RGB lights, compatible with 4.2 Bluetooth technology, 120W output power (8" x 1 woofer + 3" x 2 tweeter) and excellent sound quality.**

Its compact design **270 x 485 x 235 mm** along with the **telescopic tube** and **wheels** make it a total portable device. 6 kg of pure rhythm!
NGS Wild Ska Zero features a **11V/2.2A rechargeable lithium battery** that can keep the music playing up to 7 hours*, that may vary depending on the volume you play the music.
*3 hours at 100% volume/ 4,5 hours at 70% / 7 hours at 50%

The speaker incorporates a **wired microphone** for your Karaoke sessions. Jump into the stage and show your talent.
This speaker is compatible with **Bluetooth Technology, USB port, Micro SD, Aux Input**, and you can pair wirelessly two devices of the WILDSKA family (Zero, 1, 2 & 3) at once and increase the sound power thanks to its **True Wireless Stereo Technology**.
It also features an audio output which will allow us to multiply the sound power by connecting several speakers (from the same family) in series through a cable.

Bring a feast-oriented environment with the **built-in multi-colored LED speaker lights**. With different speaker patterns syncing to the beat of your favorite tracks. You can select one of the three fixed colors or even turn the lights off from the switch located on the back.

It is equipped with a useful **LED screen** that offers practical info such as: Mode, Radio frequency, Volume, etc.

In addition, its **amplified guitar input** will allow you to enjoy your tunes with the best accompaniment.
