

Tube

- 8 W
- G13
- Cool daylight

Durable LED task lighting with high light quality

For garage or storage room applications

This Philips LED linear tube provides an exceptionally long life and significant energy savings. With its bright colour temperature, this tube is the perfect long-lasting replacement for your linear fluorescent (TL) tubes.

Benefits

Sustainable choice
- Last up to 30 years

Instant light (LED)
- Instant light when switched on

Cool day light [6500K]
- Cool day light [6500K]

Objects are seen in their true, natural colours
- High colour rendering (CRI > 80) for vivid colours

PHILIPS

Features

6500K [LED lamps]

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light.

High colour rendering (CRI>80)

The colour rendering index (CRI) is used to describe the effect of a light source on colour appearance. Natural outdoor light has a CRI of 100 and is used as the standard of comparison for any other light source. The CRI of Philips LED light bulbs is always higher than 80, close to the sun's value, reflecting colours truly and naturally.

Instant light when switched on

No need to wait: Philips LED light bulbs provide their full level of brightness immediately upon switching on.

Last up to 30 years

With a lifetime of up to 30,000 hours, this Philips LED bulb will ensure your desired atmosphere for up to 30 years.*

Specifications

Please note that this is a pre-sales leaflet. The contents of this leaflet reflect the best of our knowledge per date and country mentioned above. The contents of this leaflet are subject to change without notice. Philips does not accept any liability as to the contents of this leaflet.

Bulb characteristics

Shape	Tube
Cap/fitting	G13
Voltage	220-240 V
Dimmable	No
Voltage	220–240 V

Power consumption

Energy efficiency label	A+
Power consumption per 1000h	8 kW·h

Light characteristics

Light output	800 lumen
Beam angle	240 degree
Colour	Cool Daylight
Colour temperature	6500 K
Light effect/finish	Cool Daylight
Colour rendering index (CRI)	80
Starting time	< 0.5 s

Durability

Lifetime of lamp	30000 hour(s)
Number of switch cycles	200000
Lumen maintenance factor	0.7
Average life (at 2.7 hrs/day)	30 year(s)

Bulb dimensions

Height	604 mm
Width	28 mm

Other characteristics

Power factor	>0.9
Lamp current	74 mA
