Charge Your Tablet or Phone on the go

Stay powered-up whilst on the move. With the Pacto Pocket-Sized Powerbank 10.000 mAh you can get your phone or tablet back to full power wherever you are. With enough battery for up to 46 hours of extra device life and with its handy portable travel size, the days of black screens are over.

High Capacity: Fully Charge Your Phone up to 3-4 Times

Whether you want a quick boost or a full charge, the 10.000 mAh battery breathes new life into your tablet or phone. When fully charged, the powerbank has enough power to charge your phone 3-4 times; that's up to 46 extra hours of phone use or up to 12 hours of tablet use. * Depends on brand/model and battery condition

Pocket-Sized Travelling Companion

The Pacto Pocket-Sized Powerbank comes in a high-density design, offering a smart power-away-from-home solution for commuters and avid travellers. The compact case fits into any bag or pocket; take it with you on your commute home or on trips away. It will keep you online and connected for days.

2 Devices at Once

Mix and match it up; you can connect up to two devices to the powerbank. The two USB ports allow for simultaneous charging of your phone, tablet, Bluetooth speaker, wireless headset or camera. Furthermore, the powerbank is compatible with Apple iPhone, Samsung Galaxy and other major phone brands.

Fast, Smart and Safe Design

Speed is another virtue of the Pacto Pocket-Sized Powerbank. Swiftly charge your device, and recharge the powerbank itself when using a USB wall charger (fast-charge with 2A USB) - the smart LED level indicator lets you know when it's time to recharge the powerbank. Plus, the Trust Smart Protection System ensures you and your devices are protected against short circuit and overheating.
