LogiLink®

USB-C™ HiFi Sound Card 96kHz/24bit DAC with EQ and 3D Mode

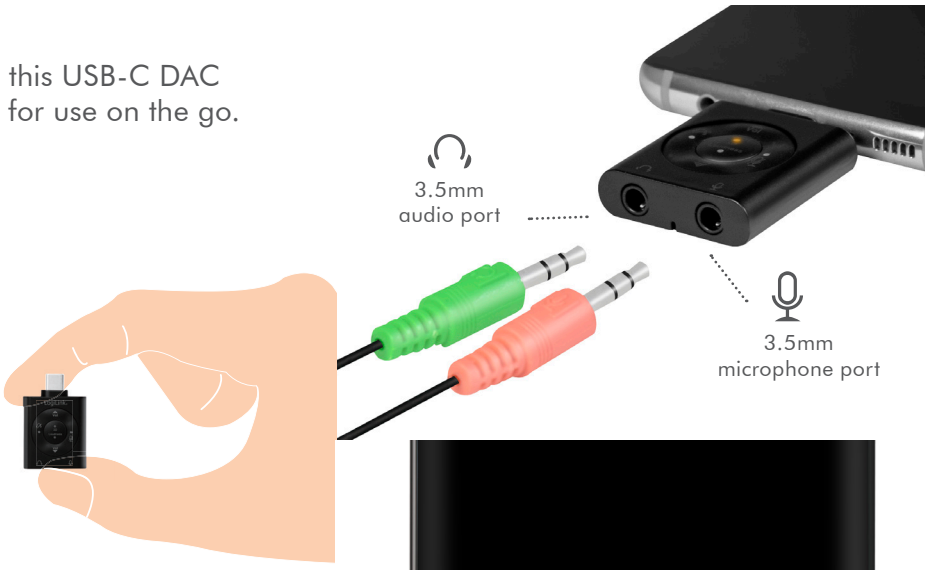
Art. No.: **UA0365**

Best connectivity

This mobile DAC converts digital audio signals to analog audio at sampling rates of 96kHz at 24bits or virtual surround 7.1. The aux splitter enables you to use ordinary headphones for better music playback and microphones for clearer voice chats, perfect for gamers or Youtubers.

USB-C

Thanks to its ultra-compact form, this USB-C DAC fits into any pocket and is perfect for use on the go.



Comfortable Extras at the Push of a Button

Compatible with popular headphone in-line controls and equipped with an interchangeable hardware equalizer; this allows you to adjust audio output to suit your listening preference with just one button.

Excellent HiFi Audio Experience

Provides a sampling rate of 96 kHz at 24 bits and virtual surround 7.1; this adapter delivers a breathtaking audio experience. Enjoy original and pure sound of your favorite music, videos or movies.

USB-C™ HiFi Sound Card 96kHz/24bit DAC with EQ and 3D Mode

Art. No.: **UA0365**

Best connectivity

Specification:

» USB-C complies with USB2.0 specification
» USB Bus-Powered mode, no external power required
» DAC: BES Technic BES3100
» Headphone Amplifier: Maxim MAX97220AA
» Supports sampling rates of 96kHz with a 24-bit resolution
» The aux splitter ensures stable and zero loss transmission of audio signals, providing better music playback and clear voice chats
» Built-in microphone for supported mobile phones
» Select hardware equalizer (EQ) or virtual surround 7.1 by control button
» Supports most 3.5mm 3 pole 16-600ohm headsets in the market
» Output power (W): 125mW (max) per channel
» Signal to Noise Ratio (SNR): around 100dB (A-weighting)
» Total Harmonic Distortion (THD+N): 0.003% (A-Weighting)
» Crosstalk: >=110dB
» LED indicator for EQ/3D mode and mute for microphone and headphones
» Volume up/down, mute/unmute microphone, mute/unmute headphones buttons
» Fully Plug & Play, and Hot Swap compatible
» Supports most mobile phones with USB-C interfaces (Google Pixel 2 /2XL / Nexus, Motorola Z / Z2 / Huawei Mate9 / Mate10, Xiaomi, One Plus5 / 5T, LeEco, Smartisan, Nubia, Asus, Samsung S8 / S9 / Note8, LG V30, Sony & Nokia)
» Supports notebooks with USB-C connectors (MacBook, MacBook Pro, HP, Dell, Samsung)

Package Contents:

» 1 x USB-C HiFi Sound Card 96kHz/24bit DAC with EQ and 3D Mode
» 1 x User Manual

Package Information:

» Packing Dimension: mm
» Packing Weight: kg
» Carton Dimension: mm
» Carton Q'ty: pcs
» Carton Weight: kg
