Highlights

Instant light when switched on

No need to wait: Philips LED light bulbs provide their full level of brightness immediately upon switching on.

Lifetime 15
Providing the same incandescent look and feel, while offering the much longer lifetime.

Avoid the hassle of changing
The durable alternative to incandescent light bulbs, Philips LED bulbs can be installed and forgotten about, maintaining their beautiful light beam for years and years to come.

High color rendering (CRI>80)

The color rendering index (CRI) is used to describe the effect of a light source on color appearance. Natural outdoor light has a CRI of 100 and is used as the standard of comparison for any other light source. The CRI of Philips LED light bulbs is always higher than 80, close to the sun's value, reflecting colors truly and naturally.
