NGS WIRED KEYBOARD DOT

ROUND KEYS KEYBOARD WITH PALM REST

NGS Dot is a USB connection wired keyboard with round keys conferring great personality.

You'll enjoy a comfortable and quiet typing experience thanks to the 105 membrane keys that barely make a sound. Furthermore, it features an original and spill resistant design, offering lasting performance, approximately 10 million keystrokes.

Its ability to be so resilient is due to the antiwear treatment to prevent characters to wear off and assuring a lasting life.

NGS Dot also includes sturdy folding legs to increase the keyboard tilt and a 1,4 m lenght cable to address your personal ergonomic needs.

You'll enjoy a comfortable typing experience with its ergonomic palm rest.

Finally, NGS Dot also incorporates Plug&Play function that permits to connect the computer immediately, no software needed.
