# Highlights

### Instant light when switched on

No need to wait: Philips LED light bulbs provide their full level of brightness immediately upon switching on.

### Lasts up to 15 years

With a lifetime of up to 15,000 hours, this Philips LED bulb will ensure your desired atmosphere for up to 15 years.*

### No hazardous substances

Philips LED lights contain absolutely no hazardous materials, making them safe for any room and convenient to recycle.

### Beautiful, switched on and off

Light can have different colour temperatures, indicated in units called Kelvin (K). Bulbs with a low value produce a warm, more cosy light, while those with a high Kelvin value, create a cool, more energising light.

### Avoid the hassle of changing

The durable alternative to incandescent light bulbs, Philips LED bulbs can be installed and forgotten about, maintaining their beautiful light beam for years and years to come.

### High colour rendering (CRI>80)

The colour rendering index (CRI) is used to describe the effect of a light source on colour appearance. Natural outdoor light has a CRI of 100 and is used as the standard of comparison for any other light source. The CRI of Philips LED light bulbs is always higher than 80, close to the sun's value, reflecting colours truly and naturally.

### Gentle LEDs, easy on the eyes

It's easy to see how harsh lighting can strain the eyes. Too bright, and you get glare. Too soft and you experience flicker. Now you can gently light up your world with LEDs designed to go easy on the eyes, and create the perfect ambience for your home.

# Specifications

### Bulb characteristics
- Shape: Bulb
- Cap/fitting: E27
- Dimmable: No
- Voltage: 220–240 V

### Power consumption
- Wattage: 9.5 W
- Wattage equivalent: 70 W
- Energy efficiency label: A+
- Power consumption per 1000h: 9.5 kW·h

### Light characteristics
- EyeComfort: Eye Comfort
- Light output: 806 lumen
- Colour temperature: 6500 - 3000 K
- Light effect/finish: White
- Colour rendering index (CRI): 80
- Starting time: <0.5 s
- Warm-up time to 60% light: Instant full light
- Colour: Cool Daylight / Warm White

### Durability
- Lifetime of lamp: 15000 hour(s)
- Number of switch cycles: 100000
- Lumen maintenance factor: 0.7
- Average life (at 2.7 hrs/day): 15 year(s)

### Bulb dimensions
- Height: 111 mm
- Width: 61 mm

### Other characteristics
- Mercury content: 0 mg
- Power factor: 0.5
- Lamp current: 100 mA
- Range: SceneSwitch

### Rated values
- Rated power: 9.5 W
- Rated luminous flux: 806 lumen
- Rated lifetime: 15000 hour(s)
