NGS PORTABLE BT SPEAKER ROLLER LINGO RED

20W PORTABLE TWS BT SPEAKER USB/TF/AUX IN -WITH MICROPHONE

NGS Roller Lingo is a 5" fun red coloured speaker that will make you enjoy music at any time, thanks to its powerful sound, battery, compatible with Bluetooth technology and LED lights. Your planned or improvised parties will be a bombshell. In addition, you can use it for your karaoke sessions thanks to its built-in microphone and unleash your inner rock star.

Small Giant
Cheer all your events up thanks to NGS Roller Lingo, a compact speaker compatible with 5.0 Bluetooth technology and 20W output power. It features a rechargeable 1.200mAh battery that can keep the music playing up to 7 hours, that may vary depending on the volume you play the music.
Thanks to its handle and lightness (1.50 kg) you can transport the speaker with total comfort.

Multiply * 2
Amplify the sound, you can pair two NGS Roller Lingo simultaneously and increase the sound power thanks to its True Wireless Technology. Double the power and the walls begin to shake!
Feel free
If your like singing, NGS Roller Lingo is your perfect ally. You can become a superstar or just have a good time with your friends. It includes a vocal microphone ideal for Karaoke and its equipped with a 6.3 mm jack plug that offers a professional sound quality. Roller Lingo features independent microphone volume control, as well as micro ECO control.

Off-road
It features several playback options to play your music the way that you prefer:
Compatible with Bluetooth Technology: Connect your device via Bluetooth and play your music with the best sound quality
