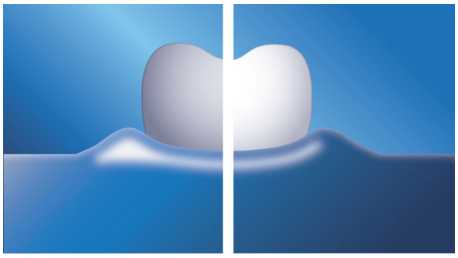
Highlights

Removes up to 7x more plaque

Removes up to 7 times more plaque from hard to reach places than a manual toothbrush

Whitens teeth 2X better



This Philips Sonicare toothbrush whitens teeth more than 2x better than a manual toothbrush in just 1 week. Removes up to 100% more stains for whiter teeth in just 1 week.

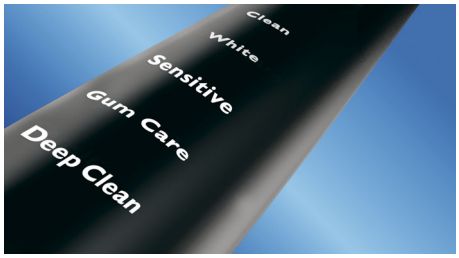
Improves gum health

This Philips Sonicare electric toothbrush provides optimal cleaning between teeth and along the gumline for improved gum health in just two weeks.

DiamondClean brush head

DiamondClean toothbrush head, Philips Sonicare's best whitening brush head, has diamond shaped, medium stiffness bristles to effectively yet gently scrape away plaque. This Philips Sonicare electric toothbrush provides an exceptional cleaning and whiter teeth compared to a manual toothbrush.

Deep Clean mode



Our all-new Deep Clean mode delivers an exceptional clean in hard-to-reach places. The unique motion of the brush head in this mode plus an extended three-minute brushing time makes it the ideal choice when you want to pay extra attention to trouble spots.

Sonic technology

Philips Sonicare electric toothbrush's unique dynamic action gently and effectively reaches deep between teeth and along the gumline.

Wireless charging pad

Our innovative wireless charging pad supports not only your toothbrush but also most Qi enabled devices, including your Qi-enabled smartphone. It also charges your toothbrush up to 2x faster versus the charging glass. Its deluxe travel case enable you to bring your toothbrush as well as its accessories everywhere you go.

Quadpacer and Smartimer

The Quadpacer interval timer indicates when it's time to move to another quadrant of the mouth, while the Smartimer helps you reach the dentist recommended brushing time of two minutes.
