With a glass jug, Black

HD7448/20

Highlights

Water level indication

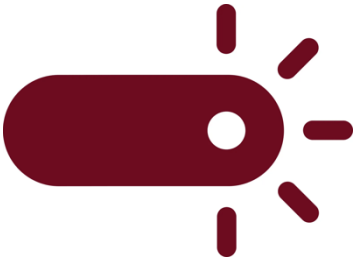
Fill the water tank easily and precisely with the water level indication.

1.3 L for 10 - 15 cups

Drip stop

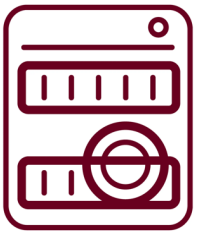
The drip stop allows you to pour a cup of coffee before the full brewing cycle is finished.

LED power switch



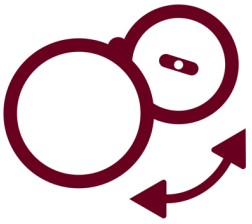
The red light on the switch button illuminates when the coffee maker is switched on.

Dishwasher-safe parts



The jug and filter holder can be easily cleaned in the dishwasher.

Swing filter holder



The filter holder is opened by swinging it to the side, which makes it easy to fill up with coffee. The filter holder is also detachable for easy cleaning.
